

# Rank the Guiding Principles

Please rank the guiding principles in the space below with 1 being most important and 5 being least important. There is room to rank the principles for up to two jurisdictions (Columns 1 and 2). Sample completed ranking sheets are shown on the board.

Seminole Largo Clearwater	Dunedin Palm Harbor Tarpon Springs	Corridor-Wide Other (Please Specify)
---------------------------------	--	---

		Column #1	Column #2
Choose up to two jurisdictions			
	<p><b>MATCH the Character</b>                      Match future street improvements to the activities and character of the surrounding context.</p>		
	<p><b>INCREASE Safety</b>                      Use roadway improvements to increase the level of safety for motorists, pedestrians, transit users, bicyclists, and freight haulers.</p>		
	<p><b>BALANCE User Needs</b>                      Create typical sections that balance the needs of all users and activities expected along the corridor.</p>		
	<p><b>ENHANCE the Networks</b>                      Use existing and future development to enhance the transportation networks and promote connectivity in the various downtowns.</p>		
	<p><b>CELEBRATE the Unique Assets</b>                      Protect and integrate historic, cultural, and environmental elements found in the corridor in future plans and projects.</p>
