

# Interstate 75

Project Development & Environment (PD&E) Studies

## Alternatives Public Workshops

**Northern Study - from south of US 301 to north of Fletcher Avenue**

FDOT District 7, WPI Segment No: 419235-3, Hillsborough County

**Southern Study – from Moccasin Wallow Road to south of US 301**

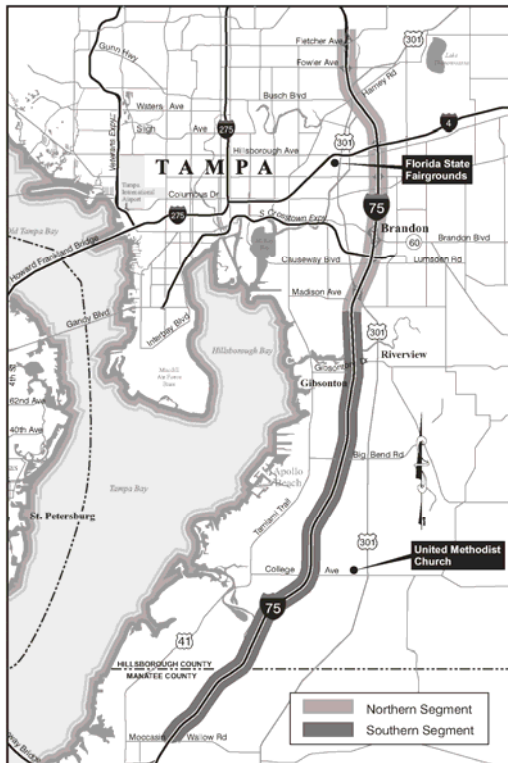

FDOT District 7, WPI Segment No: 419235-2, Hillsborough & Manatee Counties

The Florida Department of Transportation (FDOT) invites you to attend and participate in the Interstate 75 (I-75) Alternatives Public Workshops. To encourage your participation, the FDOT will hold these workshops on two evenings in June 2009 at two different locations.

These meetings are being held regarding improvements being considered for I-75 from Moccasin Wallow Road in Manatee County to north of Fletcher Avenue in Hillsborough County. The project limits and meeting locations are shown on the map below.

**Date:** Monday, June 15, 2009  
**Time:** 5:00 p.m. to 7:00 p.m.  
**Where:** United Methodist Church of Sun City Center  
Creason Hall  
1210 Del Webb Blvd. West  
Sun City Center, FL 33573

**Date:** Wednesday, June 17, 2009  
**Time:** 5:00 p.m. to 7:00 p.m.  
**Where:** Florida State Fairgrounds  
Florida Center Building  
4800 US Highway 301  
Tampa, FL 33610  
Enter from MLK, Jr. Boulevard.  
Gates open by 4:30 p.m.  
Parking is free.

The focus of these meetings is to present the project alternatives and solicit public input. These meetings will be held in an open house, informal format. There will be no formal presentation. A short audio/visual presentation concerning the improvements will be shown continuously throughout the evening. Graphics and aerial maps will be on display for public review. Representatives from the FDOT will be available to answer questions and receive your comments. Written comments will be accepted throughout the PD&E studies, but to become part of the public workshop record, comments should be received by June 29, 2009 so that project development can continue.

For additional project information please visit [www.mytbi.com](http://www.mytbi.com) and click on "Future Projects" then "I-75 PD&E Studies". Project information and meeting materials will be added to this website throughout the life of this study.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Manuel Santos, Project Manager, at (813) 975-6173 or (800) 226-7220 at least 7 working days prior to the workshop.
