MICHAEL J. DEW
SECRETARY

Date: August 08, 2017

Subject: **Project Advisory Group (PAG) Meeting**
West Busch Boulevard (SR 580) Corridor Study
from North Dale Mabry Highway to North Nebraska Avenue
Hillsborough County, Florida
FDOT Financial Project ID Number: 435908-1-22-01

Dear Project Stakeholder:

The Florida Department of Transportation (FDOT), District Seven is conducting a Corridor Study on the above referenced study. This letter is an invitation for you to become a member of the Project Advisory Group (PAG) for this project. The PAG meeting is scheduled for Tuesday, August 29, 2017, from 10:00 AM to Noon at the **North Tampa Branch Library, 8916 North Boulevard, Tampa, Florida 33604.**

The West Busch Boulevard Corridor study limits extend from North Dale Mabry Highway to North Nebraska Avenue, a distance of approximately 3.3 miles. The study area includes portions of incorporated Hillsborough County and the City of Tampa. The purpose of the Corridor Study is to work with the community, stakeholders and a Project Advisory Group (PAG) to develop a vision and identify needs and issues in the corridor.

The PAG will be an important component of the study. It will serve as a special advisory resource to the FDOT and the consultant team. The PAG participants will help develop a vision for the corridor that will guide proposed short and long-term recommendations. This may include issues related to capacity, traffic operations, safety, access and egress, mobility, freight movements, transit, bicycles, and pedestrian movements.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation service (free of charge) should contact Christopher Speese, Public Involvement Coordinator, at (813) 975-6405 or (800) 226-7220 at least seven (7) working days in advance of the meeting.

If you have any questions about membership in the PAG or require further information concerning this project, please contact Brian Shroyer, Florida Department of Transportation Project Manager at 813-975-6449 or by email at Brian.Shroyer@dot.state.fl.us.

Sincerely,
Brian Shroyer
Multimodal Project Manager
Florida Department of Transportation
