

SR 580 Corridor Study Kick-off Meeting

SR 580 Corridor Planning and Concept Development Study

From Alt. US 19/SR 595/Broadway to Tampa Road | Pinellas County, Florida | FPID: 259109-1-12-27

This project will be coordinated with Forward Pinellas Metropolitan Planning Organization (MPO) and the Cities of Dunedin, Clearwater, Safety Harbor, Oldsmar and unincorporated portions of Pinellas County to develop potential solutions that establish safer multimodal environment utilizing a context-sensitive approach. This study will involve a community-based evaluation to determine how best to meet the needs of current and future users, and to establish a long-term plan to guide evolution of the corridor that appropriately correlates the balance between land use and transportation planning.

The result of the SR 580 Corridor Planning Study will include the development of a Corridor Development Plan, which will identify a range of multi-modal solutions to address the mobility needs within a context that reflects the long-term vision for the study corridor. The Corridor Development Plan will include short, mid and long-term implementation strategies that guide future development within the corridor, as well as specific improvements that can potentially be advanced in the near term through local agency participation and/or by FDOT.

Written comments can be mailed to: Brian Shroyer, CPM, Project Manager,
Florida Department of Transportation District Seven, Planning & Environmental Management Office (PLEMO),
11201 N. McKinley Drive, MS 7-500, Tampa, FL 33612,
emailed to: brian.shroyer@dot.state.fl.us or provided on the "Send us your comments" page
on the project website at <http://www.fdotd7studies.com/projects/sr580-corridor> Comments can also be placed on an
interactive map by clicking on "Wikimap Tool" on the home page.

This Elected Officials and Agencies Project Kick-off Meeting is an opportunity to provide you with a short presentation to introduce the project and establish project intent, review the study approach and project schedule, and answer questions pertaining to the presented material. A recording of the Kick-off Meeting can be found <https://gotostage.com/channel/ce3fd6d4cf6446ffbd2e9373c97b471c>

If you would like further information about this project, please contact Brian Shroyer, Florida Department of Transportation Project Manager, at (813) 975-6449 or by email at Brian.Shroyer@dot.state.fl.us.

Note: This is public record. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. You may submit comments at this event or email comments to: Alex.Henry@dot.state.fl.us and/or mail to Florida Department of Transportation, 11201 N. McKinley Drive, MS 7-500, Tampa, Florida 33612.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S. C. §327 and a Memorandum of Understanding dated December 14, 2016 and executed by the Federal Highway Administration and FDOT.
