Dear Property Owner/Interested Citizen,

The Florida Department of Transportation (FDOT) District Seven will hold a public hearing on **Tuesday, March 25, 2025**, regarding the Project Development & Environment (PD&E) Study for the proposed improvements to the intersection of US Highway (US) 41 (State Road [SR] 45) and SR 54 in Pasco County, Florida. This public hearing is being held to provide the opportunity for public comment on the proposed improvements to the US 41 at SR 54 intersection.

The purpose of the study is to evaluate concepts to improve the intersection of US 41 and SR 54. US 41 is a major north-south arterial that provides access to Tampa, Lutz, Land O' Lakes, and Brooksville. SR 54 is a major east-west arterial that connects US 19 near New Port Richey to the west and US 301 in Zephyrhills to the east.

The newsletter also serves as notice to property owners (pursuant to Florida Statutes 339.155) that all or a portion of their property is within a minimum of 300 feet of the centerline of the alignment, however, this does not mean that all properties would be directly affected.

This public hearing is being conducted both in-person and virtually to present information to and receive public input from interested persons regarding the proposed improvements to US 41 at SR 54. Citizens who choose to attend the virtual hearing session must do so through a computer, tablet, or smartphone via GotoWebinar.

Virtual attendees must register online at the project website <https://active.fdotd7studies.com/sr54/us41-at-sr54>.

Maps, drawings, project video, and other project information will be available for review online starting on **March 18, 2025** at <https://active.fdotd7studies.com/sr54/us41-at-sr54> and at the hearing session on **March 25, 2025**.

Project reports will be on display from **January 2, 2025 to April 4, 2025** at the following locations:

- Land O' Lakes Public Library: 2818 Collier Parkway, Land O' Lakes, FL 34639. Sunday: Closed; Monday and Thursday: 10:00 am to 6:00 pm; Tuesday and Wednesday 10:00 am to 8:00 pm; Friday and Saturday: 10:00 am to 5:00 pm

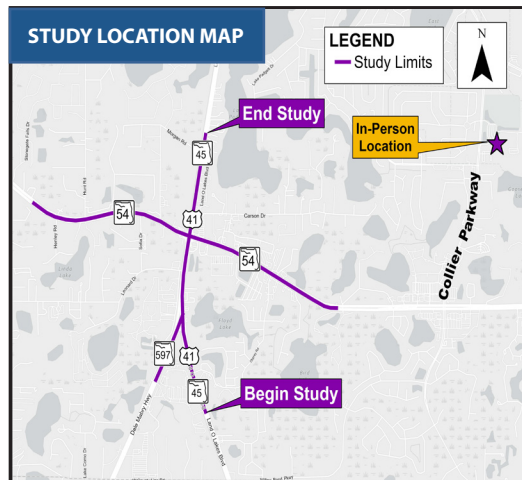

- Florida Department of Transportation District 7: 11201 N. McKinley Drive, Tampa, FL 33612 Monday-Friday: 8 am to 5 pm; Saturday & Sunday: Closed

To become part of the official public hearing record, comments must be postmarked by **April 4, 2025**. The environmental review, consultation, and other actions required by applicable environmental laws for this project are being, or have been, carried out by the FDOT pursuant to 23 USC §327 and a Memorandum of Understanding dated May 26, 2022 and executed by the Federal Highway Administration and FDOT.

FDOT welcomes and appreciates everyone's participation. If you have questions about the project or the scheduled hearing, please contact Craig Fox, P.E., FDOT Project Manager at Craig.Fox@dot.state.fl.us or visit our project website at <https://active.fdotd7studies.com/sr54/us41-at-sr54>.

Sincerely,

Kirk Bogen, P.E.
